

Ms. Pottorf stated there was a good start to the school year. She said there was a great open house and good success with monthly luncheons and she invited all to come. The students also had a fashion show at the Festival of Trees. There was a huge turnout and the students were able to pick outfits from the Goodwill Boutique to model. Once the fashion show was over, they were given those outfits to take home. The students were very appreciative of Goodwill's generosity.

Ms. Pottorf also stated the internships went really well too.

Ms. Pottorf reviewed the inspection report and stated they get inspected on a regular basis. She said there will be a need for a new refrigerator soon.

New Business

Mr. Richards stated that Mr. Bernard Duffy sent an e-mail today and has resigned from the Board. That leaves us with five Board members and the By-Laws state that there is a minimum of five Board members needed and no more than nine. He believes we are really missing parent advocates of children with disabilities. Mr. Richards introduced Kimby Hegwood Brett who is the mother of one of the Pathways to Opportunity participants who has shown an interest in becoming a Board Member. There is also another parent advocate (Tracy) that has interest, her daughter Savannah went to our school and is now in the Pathways to Opportunity program.
