Welcome Back to a New School Year

We have another great school year ahead. Please plan on attending our Open House Thursday, August 20. Teachers will be available from 5 -7 PM for general information sessions. You are welcome to make an appointment for an individual parent – teacher conference for another time if you wish. We want you to meet all of the staff, as one of our school's strengths is a team approach to meeting your student's needs.

Uniforms

Students are required to wear khaki or navy bottoms and any plain color polo type collared shirt. Students who are not in uniform will be asked to change or a parent will be called to bring a change of clothes.

It is important that students keep a change of clothing, including undergarments, in their lockers. Students are responsible for supplying their own personal hygiene items.

Lunches

Lunches are \$3.00. Reduced price for qualifying students is \$.75. Free and reduced price lunch applications will be sent home on the first day of school. They must be returned by Friday of the first week. Students may bring their lunch. Please pack lunches in an insulated container. Water can be purchased for \$.50.

Contact Information

It is important for us to have updated information on all students at all times. Our bus routes will be done by the first week of August, therefore we need any address changes as soon as they occur.

Medications

If your student is to have medication during the school day, we must have the appropriate paperwork from your doctor. Please be sure we have everything by the first day of school. Students may not have their meds with them on the bus. Please give any meds to the driver or bring them to school.

Please save **pennies** for our special end of year party. The student who brings in the most pennies the first day of school will receive a special jeans pass.

Save Box Tops for Education!

The student who brings in the most box tops on the first day will receive a special jeans pass.

Bus Information

Bus schedules will be available at Open House. All of our students are Door-to-Door so it is very important for you to notify the driver when your student will not be attending. Students need to be ready to board the bus quickly. Please refrain from engaging the drivers in conversation or asking them to make changes. Please call the school with any concerns or questions. We want the drivers focused on being safe and on time to each home. Please call the school also when your student will be absent or tardy. Students are not permitted to change buses for social visits. Any requests for an emergency change in a scheduled drop off or pick up must be handled by the principal. Please do not request the driver to make changes. Please remember that with door to door one change causes a change for all students.
