Coming Soon At L.I.F.E.

Please look for CBI permission slips. We have a few more trips before the end of the year.

We are planning for our end of year celebration and graduation.

In the past we have asked families to provide a snack for after the graduation ceremony. We know that is difficult when trying to get ready and travel to the school and it is hard for us to plan not knowing what we will have. This year we are asking that each student bring \$5 and we will purchase the snacks for the celebration. Please begin

sending the money as soon as you can and label it Graduation Refreshments so we can credit your student. Thanks for your help. Please save the evening of June 4th for graduation.

We are taking orders for our annual Memory Book and Video from graduation. Please see other side of newsletter.

Earth Day
Students may purchase a pass for 100 pennies to wear jeans and a green top on April 22 to the movies.

Special Olympics

Special Congratulations to our tennis players. Four students went to the Regional games in Naples! Danny L., Brady and Tiffany C took 1st place in their division and Anne earned a 3rd in hers. We are very proud of all of our athletes and hope we will be sending someone to State level games!
