## Earth Day Celebration and Reminders

Students really enjoyed our special CBI to see the movie **Earth.**

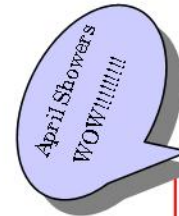

Fox 4 News also did a story on our Pennies for Possibilities and the students were able to show their math skills to the reporters. The pennies paid for the trip to the movie and will also cover the pirate ship excursion. If we surpass our new goal we will be able to have another special treat before the year is over.

Please be sure you complete your graduation form so we will be able to determine interest in having a reception.

Please watch for CBI permission slips coming soon.

Please remember to plan on the early dismissal days in June.
