Work Experience

The first group of students completed their paid work experience and were very excited about the opportunity, and of course, their paychecks. The second group will begin February 18 and the next in mid March. We are grateful to Goodwill for providing the extra staff to assist our students so that the experience could be as meaningful as possible. Students worked in the plant hanging clothes, sorting items and arranging display. Some of the students work in the Document Destruction division or in the on-line Shop Goodwill department. We also have students working in the Palm Beach Goodwill retail store.
