Happy New Year - Great Things to Come

The new year begins with a busy schedule for our students. They will begin individually taking the Florida Alternative Assessment Test on January 11. We ask that you make every effort to not schedule any school hour appointments or vacations until after February 19 if at all possible. We do have several days off that could be used for appointments. This is a state mandated test and we want every student to have the maximum amount of one-on-one time to test to the best of his/her ability. After the testing students in the Vocational program and a few from other classes will have the opportunity for the paid work experience program through Goodwill. Please watch for the paper work that will begin in January to get that process started and return all forms as soon as possible so that your student can participate.

On a fun note, the students can wear their favorite hat and help their class win pennies. **To get a Hat Pass students must bring 50 pennies.** Class penny awards will be given for winners in several fun categories.

Please be sure your student brought back a change of clothes after the holidays. Also check to be sure he/she has warm clothing. We do not go out if it is too cold but we do try to continue to have PE weather permitting and a jacket is necessary.
