Coming up at L.I.F.E.

May is going to be a busy month. We have our special Mexican celebration for Cinco de Mayo and our Goodwill luncheon. The pennies will be taken by armored car to the bank and students will have a tour. We begin practicing for the graduation ceremony and to celebrate Mother's Day and Memorial Day. Depending on our penny count, we

may have another special event before the Pirate Cruise June 1. So keep sending the pennies!!!!

Please complete the forms for graduation and send in the payment so we can plan a reception..

Please place any other orders promptly so we can be prepared with the number of year-books and videos.

May Character Word

Self- Control

The managing of your actions and emotions.

Think before you act
