Off to a Great Start!

September 11, 2009

We have had a great opening this year. Students and teachers are enthusiastic and working very hard. Everyone has made the new students feel right at home and new friendships are forming. The dog biscuit company is up and doing business already! Students in the Vocational classroom have already taken their first CBI. Speech classes have begun and the students are enjoying the 2 wonderful teachers. Students are excited about the new library. We would love donations of books you no longer

want.

We have choices at lunch every day and the kids seem to enjoy that a lot. So there will be no weekly menus.

The bus drivers will no longer be able to come back for students who are not ready on time. Our goal is to keep the bus time short and have all students in school on time. Please have your student ready.

We celebrated all of our hard work with a little
